

May: WEEK TWO

TRYING NEW THINGS

THE AGENDA:

Discussion: Which activities do you know how to play? What are you most skilled at? What is something you've always wanted to learn? (a sport, language, activity, craft, etc.) What is stopping you from learning it? What activity have you taught to someone else recently? What are the challenges and rewards of teaching someone a new activity or skill?

◇ Research a new activity and try it out.

◇ Teach each other something.

◇ Jog around the sports field and time yourselves. In a week or two try to beat your time!

◇ Learn how to set a table and use proper manners, then plan a formal snack together. Remember—pinky out!
